Paul Ward and the Treasure

Song

Friends

*I'm happy, I'm sad
I'm good, I'm bad
I'm right, I'm wrong,
I'm weak, I'm strong*

*I like to dance
And I like to learn,
I like to run
And I like to earn.*

Refrain

***The best friends are those that start in school.
The best friends don't care if I'm cool.***

***We're together through thick and thin,
When we're together we know we'll always win.***

*I'm dirty, I'm clean
I'm generous, I'm mean
I'm ugly, I'm beautiful
I'm boring, I'm special*

*I like to tell stories
I like to play football
I like to eat pizza
And I like sports!*

*On the first day at school
I was really scared,
Then I met friends
Who really cared.
Friends are important,
Friends are what counts.
Friends make me happy
So I can climb any mount.*
